

# WIN BRANDED SPORT TRACKSUITS for your primary school

The **Gazette** has teamed up with Branded at Sportsafe to offer one lucky primary school the chance to win branded school tracksuits for pupils ready for September.

And it's so simple, all we are asking is that you collect the tokens in the paper over the next two months and get your school to send them in to us.

The school with the most tokens based on the amount of pupils wins tracksuits for pupils in their schools colours branded with their school logo for free.

All schools have been sent a prepaid envelope to return to the Echo with their collected tokens – so just take the tokens into your school.

Sportswear • Uniform • Workwear
